

Main Pre-school Sessions

We admit children to the main pre-school sessions at the start of the term in which they turn 2 years and 9 months.

Before your child starts with us, you will be offered two visit sessions which will give you an opportunity to meet the staff, some of the children, see how the sessions are run and discuss any issues or concerns you may have. You will receive a letter explaining the visits in more detail and giving you dates nearer the time.

Note: It is strongly encouraged that your child is potty trained for main pre-school sessions, but this is not mandatory.

We aim to give all children attending the main pre-school the opportunity to attend three morning sessions regardless of age. For the older children in the academic year before they join Primary School, we aim to give five sessions in total, but ask that you include afternoon sessions in your selection, either separately or to make full days. For more information, please contact the pre-school or see the pre-school's admission policy.

Please add my child to the waiting list for main pre-school sessions
I wish my child to start as soon as they become eligible

or

I wish my child to start after this date:

You will be contacted near to your preferred start date to arrange which sessions you would like your child to attend. Our policy states that children in their first year at preschool will be offered a maximum of 3 sessions and in their second year (the year before they start school) a maximum of 5 sessions which must include 2 afternoon sessions.

Does your child have any special needs, disabilities or medical conditions? (We ask this now as sometimes special training is required and will be able to have this in place before your child starts with us) Please put details in the box below.

I am aware that there are copies of the Pre-School policies and prospectus available for me to read at any time and that I can ask for my own copy if I wish. I confirm that I will notify the Pre-School if there are any changes to the information given above. I understand that by submitting this form it does not guarantee a place . I also understand that my child's attendance at the Pre-School is dependent on payment of fees due and if I have problems paying I can talk to the Pre-School staff, in confidence, and discuss alternative payment arrangements.
