

8.3 Supervision of children on outings and visits

Policy statement

Children benefit from being taken out of the setting to go on visits or trips to local parks, or other suitable venues, for activities which enhance their learning experiences. Staff in our setting ensure that there are procedures to keep children safe on outings; all staff and volunteers are aware of and follow the procedures as laid out below.

Procedures

- Parents sign a general consent on registration for their children to be taken out as a part of the daily activities of the setting.
- This general consent details the venues used for daily activities.
- There is a risk assessment for each venue carried out, which is reviewed regularly.
- Parents are always asked to sign specific consent forms before major outings.
- A risk assessment is carried out before an outing takes place.
- All venue risk assessments are made available for parents to see.
- Our adult to child ratio will depend on the children's age, sensibility and the type of venue, as well as how it is to be reached.
- Staff take a mobile phone on outings, as well as supplies of tissues, wipes, spare clothing and nappies, medicines required for individual children, a mini first aid kit, snacks and water. The amount of equipment will vary and be consistent with the venue and the number of children, as well as how long they will be out for.
- Staff take a list of children with them with contact numbers of parents/carers, as well as an accident book and a copy of our Missing Child Policy.
- If there are a large number of children at the setting, they may be split into two groups for outings. In this case, a minimum of two staff accompany children on outings and a minimum of two adults remain behind with the rest of the children.
